WELCOME TO NEW BACK

We are so delighted to welcome all our children and families back to school. The excitement in school on Thursday was electric, the children and staff were so happy to see each other and be back together again. Our Recovery Curriculum is on the website, the emphasis is on the children feeling connected again as well as safe and secure in school. The children have also completed a questionnaire to communicate how they are feeling.

Today was 'All Change' afternoon, all the children have met their new teacher today. All of the children (Rec –Year5) will start with their new teacher on Monday 14th September. For most classes this will mean a different entrance and exit. We will show the children what this looks like and please refer back to the plans we have already sent out before the summer break.

Please ask them who they have spent the afternoon with.

It looks busier than I would like on playground 3 at the end of the day. So from Monday 14th September we have made a few minor changes so we don't have an additional 60 children exiting on this playground.

Please remember:

- To social distance when on the playgrounds
- Adults can wear a face covering for additional protection
- Use all three playgrounds to enhance social distancing
- Collect and then leave the school grounds
- Follow the one way system if you go onto playground 3

Thank you
