

Year 2 Art: Sacred places – Gurdwara collage and digital art Spring 1

Prior Learning

- Year 1 know how to use a combination of materials that have been cut, torn and glued.
- Year 1 know how to use IT to create a picture.

Sticky Knowledge

- I can sort and arrange materials.
- I can add texture by mixing materials.
- I know how to use collage to overlay a digital image.
- I know how to use different effects within an IT paint package to create a picture.

a collage border

Vocabulary

digital art	Any art work that uses digital technology as part of the creative or presentation process.
collage	Collage means cutting and pasting. It comes from the French word meaning, "to glue."
overlay	A covering over something else.
texture	The surface quality of the piece of art work.
shape	The different shapes used to create the art work.
background	The part of the picture furthest from the viewer.
