

# Year 6 Computing: Online Safety

## Prior Learning (Year 5)

- I know the importance of not sharing personal information.
- I can refer to the SMART rules to help keep myself safe online.
- I can discuss the positive and negative aspects of online gaming and know how to behave in an appropriate and respectful manner.
- I know how filters/digital editing can have a negative effect on a person's self-esteem.
- I know that too much screen time can have a negative effect.

## Sticky Knowledge

- I can identify benefits and risks of mobile devices broadcasting the location of the user/device.
- I can identify sites by looking for privacy seals of approval.
- I can identify the benefits and risks of giving personal information.
- I know the term 'digital footprint' and can discuss what it means.
- I have a clear idea about appropriate online behaviour.
- I understand the importance of balancing game and screen time with other parts of my life.
- I can identify positive and negative influences of technology on health and the environment.

## Key Vocabulary

data analysis	The process of interpreting and understanding data that has been collected and organised.
digital footprint	The information about a person that exists on the internet as a result of their online activity.
inappropriate	Something that is not suitable or proper in the situation.
location sharing	A way of sharing with others your device's location, these can be switched off for added security.
PEGI rating	These show the age that digital content is suitable for and the type of content that it contains.
phishing	Sending emails pretending to be from a reliable source to gain access to personal information.
print screen	Capturing an image of the current screen on a device. Also known as a 'screen shot'.
screen time	The time spent using a device with a screen, such as a computer, television, tablet or phone.
secure websites	Secure websites have particular privacy features to look out for such as a padlock or https.
