

The offSchool Bake off

Launch date: Thurs 11th June Closing date: Thurs 18th June, 2020 at 12 noon

This competition uses your creative skills in a slightly different way to our previous competitions and gets you hands on in the kitchen baking your very own edible creative piece!

Start by discussing your ideas with an adult or your siblings. Have a think about what your sponge might be; will it be something simple and delicious or fancy and fantastic? Then think about how you want to decorate them and what ingredients you need to create your cupcakes!

What to submit

Before you munch your way through your cupcakes, remember to submit your entry!

- Take a picture of a **minimum of 4 cupcakes** so we can see what you have made!
- Then cut a cupcake in half and take a picture of the inside!
 - You could draw us a picture to explain what ingredients are inside your cupcakes, just like the famous Bake Off television show, but this isn't compulsory.

Judging criteria

- Best looking cupcakes on appearance
- Best looking sponge on appearance
- The ingredients in your sponge
- The most creative idea
- How identical your 4 cupcakes are

In true Bake off style,
"Ready, Steady, BAKE!"

When you've done, head to the **Competition Zone** and click 'current competition', scroll to the bottom and 'submit your entry'.
