

Griffe Field Primary September 2020

Full Re-opening Newsletter 2 (2 of 4)

In September dropping off and collecting children will be slightly different in response to COVID-19. Today's newsletter explains the dropping off procedure in September. (Collecting information will follow tomorrow.)

The school gates will be opened at 8.45am. School doors will be opened at 8.50am. School gates will be locked at 9.05am. You will have a 15 minute 'window' to drop your child/ren at school.

Nursery children will enter school through the Nursery door.

Reception pupils will enter via the Reception doors from the Nursery garden area.

Year 1 children will enter via door A

Year 2 children will enter straight into their classroom off the playground via the classroom fire exit

Year 3 children will enter via door D

Year 4 children will enter straight into their classroom off the playground via the classroom fire exit

Year 5 children will enter straight into their classroom off the playground via the classroom fire exit

6D children will enter via door C

6F children will enter straight into their classroom off the playground via the classroom fire exit.

Parents will not be allowed into the classrooms. Sorry.

There will be no waiting around, children will enter school, wash their hands and the school day will start promptly at 9.05am. You **MUST** have your child/ren at school within this 15 minute window.

We will be operating a one way system on the playground. The path outside the Year 4 and 5 classrooms is not wide enough for the volume of traffic we have at school. If you are on playground 3 you CANNOT walk back to playground 1. You must either exit down the side of the Y2 classroom (this gate will be open and you will exit onto Grosvenor Drive), walk up the steps onto playground 2 and walk down the path, or use the back gate.
