

Welcome to Reception at
Griffe Field Primary School

Hello I'm Griffie the Gorilla!

I love coming to school and I will be your friend in Reception class. Let me show you around school.

This is the front of our school, you might walk or drive past it sometimes.

This is where you will come into your new class. I will be here to meet you.

Mrs Dean's door

Mr Flint's door

We hang our coats and bags up here.

In Reception.....

We can play with the animals.

We can build models.

We can play in the sand.

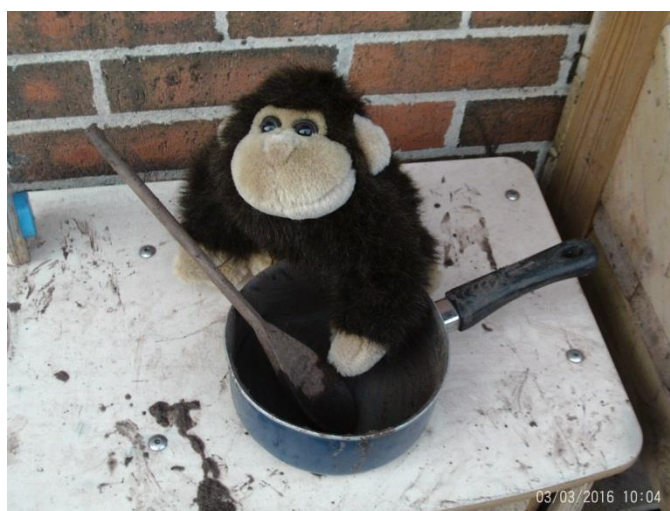

We play in our garden every day; there are lots of fun things to do.

We can make dens or go camping.

We can use the water equipment to pour and measure.

We can do some cooking in our mud kitchen.

We can dig and build in the sand or climb and explore the climbing frame.

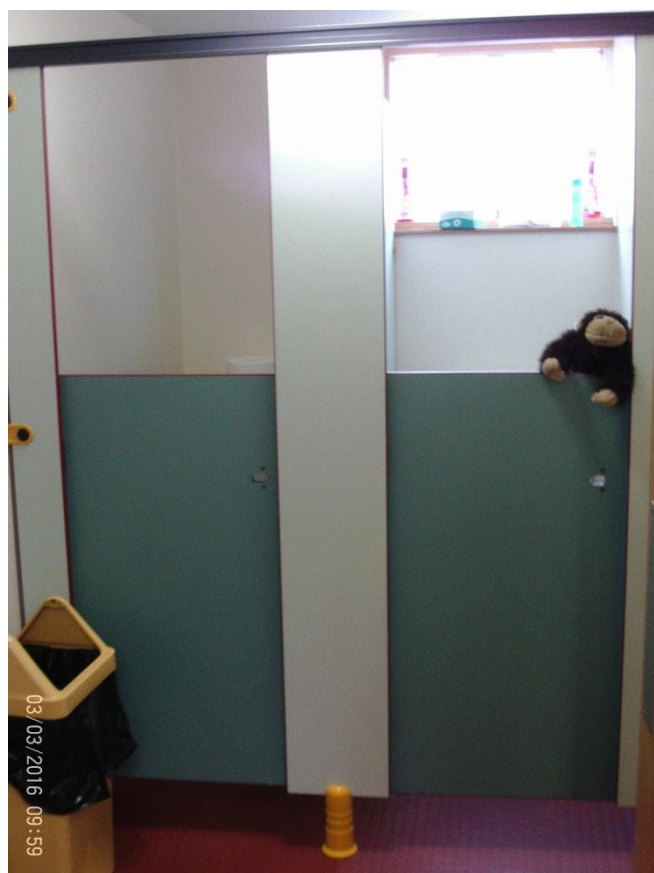

We get lots of exercise on the trim trail.

We like to grow things and meet our friends in the friendship garden.

We have our own small toilets in our classroom.

I can't wait to have lots of fun with you in your new class. See you soon!
