RE: School closure due to coronavirus

Dear Parents and Carers,

The outbreak of coronavirus (COVID-19) has now been classified as a pandemic and the number of confirmed cases in the UK has risen in recent weeks.

The decision to close schools has been taken by the Education Secretary, Gavin Williamson, and therefore we will be closing on Friday 20th March, at the end of the normal school day, as instructed. Further information on provision available to specific groups of children will be provided as soon as possible.

We will keep you informed of any developments via **the Parent Hub App**, including any proposed re-opening date. Please make sure you have provided your current contact details to **the school office** to ensure you receive our correspondence. If you need to provide new contact details, they can be given over the phone tel **01332 515718**.

Educational arrangements

The School website will have a page for each year group and work will be uploaded daily. Planned activities will be MyMaths, English Activity, ESPRESSO, videos/work, topic based projects and family/outdoor activities.

If the website cannot manage the volume of traffic, we will source an alternative way of getting this information to you.

If as a family you do not have access to the technology, please let us know.

Thank you for your cooperation in ensuring the safety of our pupils and staff. If you need to contact the school for any reason during this period of closure, you can call us on **01332 515718**. We will continue to keep you informed during the closure and update you with any new information about our re-opening date.

Yours sincerely,

Mrs Emma Mitchell
Headteacher
