

MEET THE TEACHER

Mr Flint

Dear Families,

Welcome to Griffe Field Primary School's Nursery! We are so excited to meet you and have you join our school community.

Being in our Nursery is very exciting as we get to learn lots of new things together. We will learn about our world around us, how to form friendships, work as a team and use our creativity and imagination in different ways. You will not believe how much your child will learn and grow this year.

We have so much planned to do and we can't wait to meet you all properly soon!

Here is a little information about your teacher so you can get to know them.

My Favourites!

Colour	Green
Drink	Tea
Food	Spaghetti Bolognese
Children's Book	Once Upon A Dragon's Fire by Beatrice Blue
Grown-up's Book	The Hobbit by JRR Tolkien
Song	Any good rock song!
Season	Spring
Animal	Bear
Hobby	Gardening

All About Me

I am so excited to be your new teacher in September. I know we are going to have a great year of learning together and I am looking forward to meeting you soon.

I have been teaching here at Griffe Field for over 10 years and I have worked with pretty much every year group in that time!

I love to teach in Early Years and I get really excited to help children learn new skills and build their confidence to try new things.

I believe that the most important thing that I do at school is to help children to build friendships and learn to play and learn as part of a team. I love to give children their own chance to shine and feel pride in what they have achieved.

When I am not at school, I enjoy reading, playing board games and spending time with my family. I am married and have a son called Arthur and a daughter called Esmé!

I can't wait for you to come to Nursery and join the Daring Ducks Class. From Mr Flint

The Daring Ducks Class

Dear Families,

Welcome to the Daring Ducks Class! To welcome you to Griffe Field, as a little treat, we are gifting you your very own Daring Duck to look after.

To be a Daring Duck means to try new things, like starting a new nursery! Over the Summer, take your little duck with you on your adventures. You may also want to decorate it.

It would be lovely to see some photos of what you and your little duck have been up to. Bring them with you on your first day.

Could you also bring a photograph of your family and anything to share to help us find out something about you. It could be a picture of a place you have visited, or of you doing your favourite hobby. It would be lovely to get to know you better!

We are very excited to meet you all properly and begin playing and learning together.

Have an amazing Summer!

From the teachers of Griffe Field Primary School
