

Nursery Long Term Plan 2021 - 2022

At Griffe Field Primary School we offer a curriculum rich in wonder and memorable experiences. We work hard to provide a stimulating environment that provides exciting opportunities, promotes challenge, exploration, adventure and a real love of learning.

It is our intent that all children develop physically, verbally, cognitively and emotionally in an environment which values all cultures, communities and people. We aim for our children to be confident and independent, to believe in themselves and interact positively with others.

CHARACTERISTICS OF EFFECTIVE LEARNING	<p>Playing and exploring: Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>Creating and thinking critically: Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
OVERARCHING PRINCIPLES	<p>Unique Child Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>Enabling environments Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p> <p>PLAY At Griffe Field Primary School We understand that play is an integral part of learning and this is at the heart of our early years curriculum. We believe that the correct mix of adult directed and uninterrupted child initiated play ensures the best outcomes for pupils. Warm and positive relationships between staff and children, consistent routines and strong relationships with parents are key.</p> <p>We recognise the crucial role that early year’s education has to play in providing firm foundations upon which the rest of a child’s education is successfully based.</p>

COMMUNICATION AND LANGUAGE	<p>The development of children’s spoken language underpins all seven areas of learning and development. Children’s back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children’s language effectively. Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive. Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.</p> <p>Throughout the year children will develop these listening skills</p> <ul style="list-style-type: none"> •Responding to questions and instructions directed to them •Following 2 part instructions •Taking part in short exchanges with others – listening and responding to adults and peers •Taking turns in conversation •Joining in with repeated refrains in rhymes and stories/ re-tell recite some familiar songs/ rhymes/ stories <p>Throughout the year children will develop these speaking skills</p> <ul style="list-style-type: none"> •Articulating and speaking clearly •Speaking in 4-6 word sentences •Explaining feelings in simple terms i.e. I am sad because... •Expressing wants and needs, such as asking for particular resources •Using simple conjunctions to connect ideas such as ‘and’ and ‘because’ •Using some positional language •Retelling a story/ event (not always in correct order) •Joining in with repeated refrains in stories/ rhymes

PHYSICAL DEVELOPMENT	Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives . Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination , which is later linked to early literacy . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence .

LITERACY	It is crucial for children to develop a life-long love of reading . Reading consists of two dimensions: language comprehension and word reading . Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together . Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words . Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)

MATHEMATICS	<p>Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.</p>

UNDERSTANDING THE WORLD	<p>Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.</p>

EXPRESSIVE ARTS AND DESIGN	<p>The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music to children and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.</p>

<p>Listening Skills</p> <p>Respond to questions and instructions directed to them.</p> <p>Follow 2 part instructions</p> <p>Take part in short exchanges with others – listening and responding to adults and peers</p> <p>Take turns in conversation</p> <p>Join in with repeated refrains in rhymes and stories/ re-tell recite some familiar songs/ rhymes/ stories</p> <p>Speaking Skills</p> <p>Articulate and speak clearly</p> <p>Speak in 4-6 word sentences</p> <p>Explain feelings in simple terms i.e. I am sad because....</p> <p>Express wants and needs, such as asking for particular resources</p> <p>Use simple conjunctions to connect ideas such as 'and' and 'because'</p> <p>Use some positional language</p> <p>Retell a story/ event (not always in correct order)</p> <p>Join in with repeated refrains in stories/ rhymes</p> <p>Describe</p> <p>Recount and retell</p>	<p>Developing sense of self</p> <p>Name and talk about own feelings, sometimes using props as a support</p> <p>Manage own basic hygiene (toileting, washing hand, feeding self, drinking)</p> <p>Talk about likes and dislikes</p> <p>Building relationships</p> <p>Work and play co-operatively with others i.e. building simple role play in the home corner</p> <p>Show empathy to the feelings of others</p> <p>Know they belong to the class community</p> <p>Form good bonds with adults and peers</p> <p>Take turns with others, sometimes with support</p> <p>Follow Rules</p> <p>Beginning to understand right and wrong and follow classroom rules</p> <p>Follow simple 2 part instructions</p>	<p>Movement / Gross motor skills</p> <p>Use 2 hands to pick up heavy objects, and with support seek assistance to move heavier objects</p> <p>Balance on one foot for a short time</p> <p>Be able to climb up/ walk across/ jump off climbing equipment with support</p> <p>Be able to throw and catch a large ball</p> <p>Run in a straight line</p> <p>Confidently ride the red and yellow bikes</p> <p>Sit on the balance bikes and scoot self along</p> <p>Gallop (pre-skipping)</p> <p>Large up and down/ circular movements</p> <p>Fine motor skills</p> <p>Making snips in paper with scissors</p> <p>Digging, scooping, pouring</p> <p>Able to use a spoon to feed self/ cups to drink</p> <p>Paint brushes – large movements-circular, up and down</p> <p>Use tweezers to pick up/ move large objects i.e. pasta, pom poms</p> <p>Thread beads/ large objects onto string/ pipe cleaners</p> <p>Pencil control</p> <p>use mark making equipment with increasing accuracy i.e. drawing shapes/ simple pictures</p> <p>Basis of pencil grip</p> <p>Dominant hand</p>	<p>Retelling and recalling</p> <p>Sequences stories/ events (not always in order)</p> <p>Identifies characters/ settings/ events in stories</p> <p>Knows that print carries meaning and is read, in English from left to right</p> <p>Fine motor skills</p> <p>Handles tools with increasing control i.e. paint brushes, glue spreaders, play dough tools etc.</p> <p>Shows a dominant hand</p> <p>Uses the basis of a 3 finger pencil grip</p> <p>Vocabulary Acquisition</p> <p>Hears and uses new vocabulary from stories, rhymes, poems and non-fiction books)</p> <p>Sound Discrimination :-</p> <p>Hears initial sounds</p> <p>Can orally blend/ segment simple CVC words</p> <p>Identifies sounds in words</p> <p>Letter Knowledge</p> <p>Can copy/ wrote own name</p> <p>Hears initial sounds and begins to use letters to identify meaning i.e. 'd' is for daddy</p> <p>Writes for a range of purposes i.e. shopping list, a letter, a picture (not always using correct letters)</p> <p>Prediction</p> <p>Joins in with familiar rhymes and stories</p> <p>Begins to predict what might happen in stories</p>	<p>Shape and Space</p> <p>Talk about and explore 2D and 3D shapes, using informal language and mathematical language (sides, corners, straight, flat, round)</p> <p>Select shapes appropriately i.e. triangular prism for a roof</p> <p>Understand and use positional language</p> <p>Make comparisons between objects relating to size, length, weight and capacity</p> <p>Number Patterns</p> <p>Extend and create simple AB patterns</p> <p>Talks about and identifies patterns around them i.e. stripes on clothes, designs on rugs</p> <p>Spotting and exploring errors in repeating patterns</p> <p>Begin to describe a sequence of events (real or fictional), using words such as first, then etc.</p> <p>Number Rhymes</p> <p>Explores simple composition of number through rhymes i.e. 5 little frogs, 3 in the pool</p> <p>Knows and signs a selection of number rhymes</p> <p>Numbers to 5</p> <p>Subitise small amounts of up to 3 objects</p> <p>Link numeral and quantity up to 3</p> <p>Count reliably to 5, and beginning to count beyond 5</p> <p>Say one number name for each item in order 1, 2, 3, 4, 5</p> <p>Know the last number reached when counting a set of objects tells you how many there are (cardinal principle)</p> <p>Show 'finger numbers' up to 3</p> <p>Solve real word mathematical problems up to 3</p> <p>Experiments with own symbols and marks as well as numerals</p> <p>Compare Quantities</p> <p>Sorts by a variety of criteria</p> <p>Describes similarities and differences</p> <p>Compares quantities by more than, less than and the same</p> <p>Verbally rote count to 10.</p>	<p>Past and Present–History</p> <p>Able to say who they are and who they live with</p> <p>Can talk about any pets they may have</p> <p>Can talk about some members of their family</p> <p>Sequence family members by size and name (baby, child, adult)</p> <p>Comments on fictional characters in stories</p> <p>Shares similarities between characters, figures or objects</p> <p>Comments on pictures of experiences in their own life "this was me at the farm..."</p> <p>Culture and Community</p> <p>Shows an interest in different occupations</p> <p>Comments on recent pictures of celebrations in their own life "This is me celebrating Diwali..."</p> <p>Knows there are special places of worship</p> <p>Knows that there are differences between what we believe</p> <p>Develop positive attitudes about differences between people</p> <p>Know there are some other countries/ cities</p> <p>The Natural World– Science and Geography</p> <p>Respect and care for the environment – classroom/ outdoors</p> <p>Talk about what they see in their own environment (school/ home)</p> <p>Talk about and describe different types of houses, including where they live</p> <p>Hands on exploration using senses</p> <p>Explore collections of materials and identify similar and different properties</p> <p>Explore the world around them and explore how things work</p> <p>Explores and talks about forces (push and pull)</p> <p>Changing seasons – understand that the weather changes, and in different places you find different weather</p> <p>Understand the difference between plants and animals</p> <p>Plant seeds and care for growing plants with support</p> <p>Know the life cycle of a butterfly</p>	<p>Explore</p> <p>Colour – Recognise colours/ choose colours for a purpose</p> <p>Begin to use primary colours to mix secondary colours</p> <p>Can use thick paint brushes</p> <p>Print with blocks, sponges and fruit</p> <p>Draws potato people (no neck or body)</p> <p>Draw things that they observe</p> <p>Draw simple things from memory i.e. cat</p> <p>Use glue sticks independently and use glue spatulas with support</p> <p>Adds other materials to develop models (tissue paper, glitter etc)</p> <p>Adds additional textures i.e. describes as bumpy or smooth</p> <p>Beginning to weave</p> <p>Builds walls to create enclosed spaces, beginning to add towers, roofs etc</p> <p>Manipulates play dough in different ways i.e. rolls, cuts, squashes, pinches, twists etc</p> <p>Imaginative Play</p> <p>Develop storylines</p> <p>Plays with familiar resources</p> <p>Uses own experiences to develop storylines i.e. going on a bus/ car ride</p> <p>Participates in small world play related to rhymes and stories</p> <p>Create and use small world set ups</p> <p>Creates their own piece of art and gives meaning</p> <p>Works independently to develop basic skills</p> <p>Begins to work with a friend, copying ideas and developing skills together</p> <p>Music</p> <p>Responds to music – verbally and using movement</p> <p>Talks about how music makes them feel</p> <p>Copies basic actions and begins to learn short dance routines</p> <p>Watches dances and performances</p> <p>Sing a selection of rhymes/ songs from memory</p> <p>Sings in a group and tries to keep in time</p> <p>Able to name a wide variety of instruments (drum, tambourine, maraca, triangle)</p> <p>Plays a given instrument to a simple beat</p>
