

# UKS2: Striking and Fielding - Rounders

## Prior Learning

### Children have...

- Used running, jumping throwing and catching in isolation and combination.
- Played competitive games applying basic principles for attacking and defending.
- Developed their technique and control.
- Compared performances with previous ones and demonstrated improvement to achieve personal best.

## Vocabulary

Rounders bat, ball, bowl, underarm bowl, throwing, catching, striking, fielding, bases, aim, target, control, accuracy, teamwork, communication, tactics, technique, space, backstop, boundary, tracking, stumping, batter, fielder, body position.

## Sticky Knowledge

Opponents use fielding to prevent the batter running around the circuit. This involves **catching**, **tracking**, **stopping** the ball and **throwing** it to other fielders.

**Bowlers** bowl from the bowling square. **Batters** bat from the batting square. The **backstop** should be behind the batter. **Fielders** should be positioned near bases and in spaces around the field.

Rounders involves **batting** a ball and **running** around a circuit of bases.

It is important to demonstrate effective **teamwork** when fielding, thinking about our **position** and the position of others.

### Batting technique:

- Hold the bat high (in one hand)
- Have a strong grip on the handle
- Keep your eye on the ball
- Stand side-on to the bowler
- Swing through the ball
- Stamp forwards into your move to gain more power.
