

Year 2 Computing: Creating Pictures (Information Technology)

Prior Learning

- I can create a piece of art using the painting tool.
- I can select and add pictures to my work from an online library of images.
- I can edit an image (my avatar).
- I know that I can move objects on a screen.

Eraser and colour palettes

2Paint a Picture

Sticky Knowledge

- I know some of the different functions of the 2Paint a Picture tool.
- I can learn about and recreate the Impressionist style of art (Monet, Degas, Renoir).
- I can recreate Pointillist art and look at the work of pointillist artists such as Seurat.
- I know about the work of Piet Mondrian and can recreate the style using the lines template.
- I know about the work of William Morris and can recreate the style using the patterns template.
- I can use the collage tool.

Key Vocabulary

fill	Causing an area to become full, in this case, of colour.
palette	Within computer graphics, this is the range of colours or shapes available to the user.
style	The way in which something looks or is formed.
impressionism	An art movement that began in the 1860s that captures an 'impression' of the scene.
pointillism	Art using small dots in different colours to build a picture.
surrealism	Art that tries to show a dream or random thoughts.
