

Prior Learning

- I have used 2DIY to create a game (Year 5 - Game Developers)
- I have used 'Discovery Education' to answer multiple choice questions and know that there are different question types that can be selected.
- I have written and commented on blogs (Blogging unit) and know how to search responsibly and safely using the internet to find information.
- I can add text and graphics to my work.

Sticky Knowledge

- I can create a picture-based quiz for younger children.
- I know how to use the different question types within 2Quiz.
- I can explore existing quizzes to analyse them.
- I can make a quiz that requires the player to search a database.
- I can make a quiz to test my teachers or parents/carers.

Key Vocabulary

audience	People who watch a performance or use a resource.
audio	Sound (especially when recorded).
case-sensitive	Distinguishing between capital and lower-case letters.
clone	To make a complete copy of something.
cloze	A piece of text where words are removed and replaced with spaces. The learner has to fill the space with the correct word.
preview	To see what something looks like before saving it as a final version.
quiz	An activity in which people answer questions and score points if they are correct.
